Chief Executive Officer: Karen L White MA (SES)

29th July 2019

Dear Parents and Carers,

I am writing to inform you that the Regional School Commissioner (RSC) has made a decision regarding Delce Academy, after its recent Ofsted outcome.

The RSC has decided that Delce Academy will move into the Inspire Partnership Academy Trust.

The transfer will be completed during the Autumn term.

As the decision was confirmed after the end of the school year, communication is by letter rather than directly through a meeting at school. Further updates will be through meetings in the Autumn term and dates will be issued in September.

The school community has already started on its improvement journey, with much still to do. The trust will continue to work with the school until the transfer is complete, in the best interests of the children.

Best wishes

Karen White
