

Two messages from pairs of Hailing Teaching Assistants, informing parents via the village Facebook page that they are leaving the school, in the absence of any announcement of their departure.

Message from Mrs AAAA and Miss BBBB of Hailing Primary school.

When we handed in our notice 4 weeks ago it seemed like a life time away, but, it has come around so quickly. My last day at Hailing Primary after 16 wonderful years will be tomorrow. Miss BBBB will be leaving on Monday 19th and will be visiting Scotland Class tomorrow. We were both very keen to let you all know in some way we were leaving as Hailing has been such a big part of our lives for so long. We truly are grateful for all your support over the years and we leave with such wonderful memories of working closely with so many of your children.

Message from Mrs CCCC and Mrs DDDD of Hailing Primary School:

Tomorrow will be our last day at Hailing Primary School. As it has been such a huge part of our lives for so long, we were keen to let you all know in some way that we are leaving.

With over 30 fabulous years between us, we are truly grateful for all of your support and the wonderful memories of working so closely with so many of your children. Thank you
