Tunbury Primary School

Dear parent/carer,

As the end of term draws near and we all look forward to a glorious summer break, the School seems to have become subject to a number of fictitious rumours circulating on social media. Our School continues to be lead and managed by our Headteacher Miss McIntosh and Deputy Headteacher, Miss Nuttall, assisted by our Assistant Headteachers Mrs Smith and Mrs Carpenter.

It is clearly unsettling for the School community for false statements to be circulating. We would therefore request that all involved in the community of the school refrain from promoting speculation.

We look forward to celebrating a number of end of year events together with you and hope you and your children have a relaxing summer.
