Dear Community Stakeholders

Changes to our provision at Oasis Academy Isle of Sheppey

As a valued member of our local community, I am writing to you update you on some changes we are making to our provision at Oasis Academy Isle of Sheppey (the Academy).

As you may know, we currently split our academy over two sites, our East Campus on Minister Road in Minster-on-Sea (ME12 3JQ), and our West Campus in Sheerness. This summer we will be making some changes that will mean for the first time we will base all of our secondary school community at our East Campus. We will be moving our sixth-form provision to our West Campus.

By uniting our secondary campuses into one, we have a fantastic opportunity to make the most of our resources and staff. Our teachers will be better able to support and challenge one another to develop their professional practice, and our students can benefit from access to all of our staff.

In addition to the above, uniting the secondary provision also means no more busing between campuses, enabling our students to focus on their studies instead of travelling during school time. This is both more convenient and safer for these students.

By moving our sixth form to the West Campus, we will offer a more bespoke learning environment for our older students, setting expectations as they “move up” and prepare for university, further training or entering the workplace once they have completed their studies.

We will be implementing these changes over the summer break so that both our secondary and sixth form sites are ready for the students’ return in September.

We do not anticipate these changes having a substantial impact on our local community or on the many of you who support us to provide for the children, but if you have any concerns please do not hesitate to contact me via my EA Louisa Hui at louisa.hui@oasisisleofsheppey.org or by phone, 01795 873591.

Thank you for your continued support for our students, their families and the Academy.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Tina Lee".

Tina Lee
Principal, Oasis Academy Isle of Sheppey
