

Welcome from Kristina Yates, Principal

Dear Parents and Carers,
It has been another wonderful term at TFS with our exceptional scholars. We continue to be impressed with their effort, achievements and kindness to others.

Our ethos of Teamwork, Fairness and Success has been clearly demonstrated through the incredible generosity shown throughout our charity campaigns this term in support of Save the Children and The Rainbow Centre. We would like to thank you all for your kind donations to these fantastic causes. We have also been involved in several community events this term, including the Cheriton Christmas Lights Switch-On and Remembrance Sunday.

We are very grateful to our amazing PTFA, who have organised a range of events this term, including the Autumn Disco and our Community Christmas Cracker event. The PTFA work tirelessly to raise money to further enhance the experience of TFS scholars and are always looking for new members!

I would like to take this opportunity to thank our amazing faculty colleagues, whose unceasing dedication to our scholars is an incredible example of what can be achieved by a cohesive team. Their commitment to the education and care of our scholars and their drive to continually improve their own practice in order to further refine their exceptional teaching and pastoral care is truly inspirational.

Over the last couple of weeks, our scholars have enjoyed a number of festive activities, in addition to their lessons. We have shared a Christmas lunch together, enjoyed Christmas Jumper Day and taken part in our Christmas Service. Furthermore, I am delighted to say that all of our scholars have received the gift of a book to reward their fantastic efforts.

Finally, I would like to wish you all a restful and happy festive break. We are looking forward to seeing the children back on Monday 6th January.

Dates for Term 3

Wed 18 Dec	Last day of Term 2 Finish at 2.05pm
Mon 6 Jan	Term 3 Starts
Mon 27 Jan	Holocaust Commemorations in Folkestone
Wed 29 Jan	Year 8 HPV jabs
Fri 14 Feb	Term 3 Ends

Merry Christmas one and all from Turner Schools

As we look back over the past year we celebrate so many achievements of our scholars. Their hard work and dedication to be the best version of themselves is a credit to our wonderful faculty members. The learning experiences and projects that have taken place this year could not have happened without a great deal of commitment and support from our team of teachers and support staff.

We are also incredibly grateful for the support we receive from you, the families of our scholars, as we strive to give your children the powerful education they deserve.

This year we have created a digital Christmas card to reflect on the successes of 2019, please visit our website to watch this: <https://www.turnerfreeschool.org/news/merry-christmas-from-turner-schools/>

On behalf of Turner Schools we wish you and your families a very Merry Christmas and Happy New Year.

Jo Saxton and Team Turner
