Dear Parents and Carers,

Update on Leadership at Folkestone Academy

Turner Schools is working hard to ensure that all students attending Folkestone Academy succeed. To help us make further progress towards our high expectations I am delighted to introduce Mr Colin Boxall as Interim Principal of the Secondary Academy.

Mr Boxall, joins us from the wider Turner Schools team and takes up the role of Interim Principal of the Secondary Phase of Folkestone Academy with immediate effect. This is in addition to the existing leadership team.

Mr Boxall has been Principal of a number of schools, including an Outstanding Academy in Kent, and brings a wealth of experience to the existing team. Mr Boxall will be with us for the remainder of the academic year, by which time we hope to have appointed a permanent Principal.

Mr Boxall with Mr Milliken, Mr Carroll and Ms Waters, will hold open coffee mornings for parents every Tuesday and Thursday at 9.00am. If you would like to take up the chance of meeting Mr Boxall and members of the senior team and talking to them about your ambitions for the Academy, please call reception so that we can be sure we provide enough refreshments.

Yours sincerely

Jo Saxton,
Chief Executive, Turner Schools.
